Lobero LIVE presents
Men At Work
Thursday, December 23, 2021 at 8 PM

Santa Barbara, CA, November 23, 2021 – Lobero LIVE presents Men At Work, Thursday, December 23, 2021 at 8 PM. The renowned GRAMMY® winning, multi-platinum selling act has clearly stood the test of time. Founding member Colin Hay has developed a solo career over the last 35 years, writing, recording, and touring extensively throughout the world as a solo artist. Since 2019, he has also toured and played under the Men At Work banner with his LA based group of musicians.

The group Men At Work was born in Melbourne, Australia in 1979 and went on to become a globally successful act during the early 80s. The original band, however, came apart relatively quickly and had disintegrated by 1985. Colin Hay and Greg Ham responded to demand and toured many parts of the world as Men At Work from 1996 into the 2000s. Sadly, Greg Ham passed away in 2012. Colin Hay's solo career is still going strong, and the artist is presently also part of Ringo Starr's All Starr Band. Hay and his fellow musicians play an exclusive Men At Work set, including all the enduring hits we know and love.

Tickets for Men At Work are on sale now at Lobero.org and at the Lobero Box Office 805.963.0761. VIP tickets are \$121 (includes premier seating and a pre-show reception with drinks and hors d'oeuvres), Section A tickets are \$75, and Section B tickets are \$60. *Ticket prices include a per ticket Lobero Facility Fee; other fees may also apply.*

Lobero LIVE presents **Watchhouse on Thursday, February 17, 2022 at 8 PM.** Multi-instrumentalist/songwriter Andrew Marlin and fiddler/vocalist Emily Frantz, formerly known as Mandolin Orange, recently recorded their most audacious album yet and decided it was finally time to change their name — to Watchhouse. The name represents their reinvention as a band at the regenerative edges of subtly experimental folk-rock. Alongside drummer Joe Westerlund, guitarist Josh Oliver, and bassist Clint Mullican, Andrew and Emily indulged novel structures and textures. Their self-titled debut album has gone #1 on Billboard's Bluegrass Albums Chart. <https://www.lobero.org/events/watchhouse/>
