Lobero LIVE presents  
An Evening with KT Tunstall  
with special guest Charlie Mars  
Friday, January 21, 2022 at 8 PM

*Santa Barbara, CA, December 20, 2021* – Lobero LIVE presents An Evening with KT Tunstall with special guest Charlie Mars, on Friday, January 21, 2022 at 8 PM. GRAMMY® nominated for Best Female Pop Vocal Performance, Tunstall is the official headliner of the Times Square New Year's Eve 2022 live webcast and TV pool feed, where she'll be performing two of her global chart-topping hits, "Black Horse and the Cherry Tree" and "Suddenly I See," among numerous other well-known songs. Tunstall has toured the world over, with groups such as Simple Minds, The Pretenders, Barenaked Ladies, Hall and Oates, and more. Her latest studio album, *WAX*, received international acclaim, with a visceral focus on the electric guitar. Opening for KT is singer-songwriter, Charlie Mars, a country and folk-inflected pop artist blessed with a warm vocal croon and a knack for crafting poignant, earthy songs.

**"If she's eluded you so far, Tunstall's latest album *WAX* is a perfect entry point – an album full of feverish rock grit produced by Franz Ferdinand's Nick McCarthy, imbued with a fierce stomp from start to finish."**

– *Rollingstone*

Since scoring a worldwide smash with her debut album *Eye To The Telescope* in 2004, which went on to sell over 5 million copies, KT Tunstall has remained at the forefront of UK singer-songwriter talent. Over the next decade, three further critically acclaimed albums followed, keeping the platinum sales rolling and cementing the Scottish artist's reputation as a major recording talent, as well as a mesmerizing live performer. 2012 and the years that followed saw a seismic shift in outlook – the loss of her father, a divorce, and a relocation to Venice Beach, California.

After a period of healing, soul-searching, and a change of scenery, 2016 hailed the arrival of the first of a trilogy of albums, the critically acclaimed UK top 10 album - *KIN*. The trilogy evokes, separately and in sequence, spirit, body and mind. With 'KIN' being her phoenix from-the-ashes 'spirit' album, 2018 marked the second offering of that trilogy, the 'body' album *WAX*, which entered the UK album chart at number 15. The last few years have seen something of a creative rebirth for Tunstall. Upon relocating to the US, she was accepted as one of six annual fellows for the Sundance Film Institute's Composers Lab and has since scored music for several short and feature films. After touring worldwide supporting numerous acclaimed artists, Tunstall then embarked on her own tour as a headliner.

Americana singer-songwriter Charlie Mars is best known for his Texas Trilogy series of albums. Recorded with producer Billy Harvey and a core group of musicians in Austin, the trilogy includes 2009's *Like a Bird, Like a Plane*, 2012's *Blackberry Light*, and 2014's *Money*. The acclaimed musician and consummate storyteller was born in Mississippi, but now lives in New York. His latest album is 2018's *Beach Town*, which tells tales of the real-life Gulf Coast characters that have touched his life. Mars has been operating outside the confines of the major label world ever since self-releasing his breakthrough 2009 album. *Beach Town*, produced by Dwight A. Baker, is a departure for Mars. While Charlie wrote every single song solo for the Texas Trilogy, the 12 tracks on *Beach Town* came out of collaborations with some of Nashville's most respected writers.
