Lobero LIVE presents

Taj Mahal Sextet

Tuesday, March 8, 2022 at 8 PM

- **One of the most influential American blues and roots artists of the past half-century**
- **His music spans continents and generations**
- **New combination promises some of the most stellar musical moments enjoyed in recent memory**

Santa Barbara, CA, February 14, 2022 – **Lobero LIVE presents Taj Mahal Sextet on Tuesday, March 8, 2022 at 8 PM.** Taj Mahal, at 79, remains a towering musical figure — a legend who transcended the blues not by leaving them behind, but by revealing their magnificent scope to the world. A 2018 GRAMMY® win for *TajMo*, Taj's collaboration with Keb' Mo', brought his GRAMMY® tally to three wins and 14 nominations, and underscored his undiminished relevance more than 50 years after his solo debut. A Blues Hall of Fame membership, a Lifetime Achievement Award from the Americana Music Association, and other honors also punctuate his résumé.

Band members include Taj Mahal (vocals, guitar, piano, banjo and more), Bobby Ingano (guitar), Bill Rich (bass), and Kester Smith (drums). Maestro welcomes the exciting addition of duo Rob Ickes (dobro) & Trey Hensley (acoustic guitar/vocals), both known and well-versed in Americana, Bluegrass, Country, and Blues music. This new combination surely promises some of the most stellar musical moments you've enjoyed in recent memory. The Sextet sparks and plays off of one another throughout performances of these timeless songs, as they are fueled by the Maestro's passion and lifelong dedication to unveiling why the music of the Americas and Africa is now and will forever be a "global resource."

A brilliant artist with a musicologist's mind, Taj has pursued and elevated the roots of beloved sounds with boundless devotion and skill. Then, as he traced origins to the American South, the Caribbean, Africa, and elsewhere, he created entirely new sounds, over and over again. As a result, he's not only a god to rock-and-roll icons such as Eric Clapton and the Rolling Stones, but also a hero to ambitious artists toiling in obscurity, who are determined to combine sounds that have heretofore been ostracized from one another. No one is as simultaneously traditional and avant-garde.

Taj doesn't wait for permission. If a sound intrigues him, he sets out to make it. If origins mystify him, he moves to trace them. If rules get in his way, he unapologetically breaks them. To Taj, convention means nothing, but traditions are holy. He has pushed music and culture forward, all while looking lovingly back. Over the years, the artist had also emerged as a mind-boggling, multifaceted player. In addition to the guitar, Taj has become

proficient on about 20 different instruments — and counting. As one of the most influential American blues and roots artists of the past half-century, his music spans continents and generations.
