

Santa Barbara Surf Film Festival 2025

Saturday Lineup

Grom Program – Info coming soon!

430-6 PM - The Surfer's Code presentation with Shaun Tomson

Run Time: 1 hour 30 min

Presenter: Shaun Tomson

630-8 PM - Shaping the Future

Run Time: 1 hour 7 min

Filmmaker:

Tony Gentile (Writer, Director of Photography, Editor, Producer)

Synopsis: "Shaping the Future" chronicles the life of renowned surfboard shaper Lance Collins and documents the profound influence his design innovations made on a generation of surfers in the early 1980's in Newport Beach California and how it spread throughout the world thanks to the coverage of his colorful group of team riders in the surf magazines. But more importantly, it details the influence he had on those around him and how he found the key to life.

830pm-10pm - Circles

Run Time: 1 hour 17 mins

Filmmakers:

Director / Cinematographer / Editor - Dana Shaw

Producer- Justin Misch & Origins Archival

synopsis: "*Circles: An Ode to Shredding*," is a full length 16mm documentary film that celebrates the nuances of riding waves and skateboarding. It observes a range of people, places and themes that make these underground communities the poetry that they are. From the gathering points that founded style in surfing, to the concrete canvas that is skateboarding and the human connection between.
