“Phenomenal in every way...it is pure magic!” – Jerry Bruckheimer

“It’s like shaking Mr. McCartney’s hand in person.” – Dick Biondi, legendary radio personality and first American DJ to play The Beatles record on the radio

Santa Barbara, May 6, 2025 – Louise Harrison presents **Liverpool Legends “The Complete Beatles Experience!” on Saturday, July 12, 2025 at 7:30 PM**. The globally acclaimed group, curated by Louise Harrison, George Harrison's sister, honors The Beatles' legacy by tracing their musical evolution from early hits to psychedelic masterpieces. This unique show showcases note-perfect vocals, meticulous musical details, costume changes, vintage instruments, and state-of-the-art multimedia, offering an unparalleled Beatles experience.

The GRAMMY® nominated and internationally acclaimed Liverpool Legends are four talented musicians and actors, handpicked by Louise Harrison to re-create the band that changed the world forever. Experience the complete history of The Beatles, starting with the early mop-top hits, such as “I Want To Hold Your Hand,” “She Loves You” and “Twist and Shout.” You’ll then take a Magical Mystery Tour down Penny Lane, through the psychedelic era of Sgt. Pepper. And in The End, “Come Together” and sing and dance to classics like “Get Back,” “Here Comes the Sun,” and “Hey Jude.”

This one-of-a-kind Beatles show is narrated by Louise Harrison, who was an instrumental part of the promotion of The Beatles in the early years. With precise attention to every musical detail, along with costume changes, vintage instruments and special effects, Liverpool Legends will make you feel like you are watching the real thing! Together, these four lads will bring you “The Complete Beatles Experience.”

Many tribute acts recreate the sound and the harmonies of the Fab Four, but Liverpool Legends takes it one step further. All four band members have mastered the looks, mannerisms, and the thick Liverpool accent, that makes the experience totally authentic. In addition, Liverpool Legends seem to “possess” the personalities of John, George, Paul and Ringo, which make the lighthearted banter with the audience irresistible!
