The brainchild of Bay Area musician Jason Crosby and Media Executive/Producer Joe Poletto, The Crosby Collective is a like-minded community of GRAMMY® nominated musicians, celebrated artists, close friends, and accomplished creatives who come together to create timeless sonic experiences that feed the soul with feel-good music. Their latest releases blend rock and roll’s most iconic songs and artists in a mashup of harmonic bliss through pairing tracks culled from The Grateful Dead, Led Zeppelin, Pink Floyd, The Allman Brothers, The Beatles, and several other historic musical standouts.

Equipped with its core group of musicians and artists, as well as several other esteemed players and collaborators, The Crosby Collective is setting out to spread their message of community, creativity, and peace to concert halls and music venues across the country. They will be joined onstage by renowned musician Jackson Browne. For more than five decades, Browne has written and performed some of the most literate, moving songs in popular music.
