Santa Barbara, CA, October 15, 2025 – Lobero LIVE presents **Samantha Fish – Paper Doll World Tour + Robert Jon & The Wreck on Tuesday, November 18, 2025 at 7:30 PM**. One of the most formidable guitarists of her generation, Samantha's milestones include a GRAMMY® nomination for *Death Wish Blues* and invitations to tour with The Rolling Stones, Eric Clapton, SLASH, and more. On her new album *Paper Doll*, the artist offers up nine powerhouse songs that hit with an unstoppable force. Robert Jon & The Wreck has captivated audiences worldwide since 2011 with their powerful guitar work, rich vocal harmonies, and genre-blurring songwriting. Their latest studio album, *Red Moon*, marks a bold new chapter for the band.

Samantha Fish deals in her own unmatched brand of bravado, bringing both mind-blowing power and extraordinary emotionality to everything she creates. Since first introducing the world to her larger-than-life talent, the multi-award-winning festival headliner has built a triumphant career. Each song on her new album is delivered with an exquisite dose of illuminating insight, soul-soothing empathy, and – above all – newly heightened clarity of vision. *Paper Doll*, her first-ever album recorded with her touring band, marks the latest entry in an uncompromising and endlessly adventurous catalog that's found the Kansas City-bred musician working with luminaries like Jon Spencer of Jon Spencer Blues Explosion as well as Luther Dickinson (co-founder of North Mississippi Allstars and former member of the Black Crowes). A potent balance of catharsis and introspection, boldness and vulnerability, the result is the glorious sound of an artist unapologetically coming into her own.

Reigning from Southern California, **Robert Jon & The Wreck** take the classic Southern rock sound and infuse it with a distinctly modern edge. Since their inception in 2011, the band – Robert Jon Burrison (lead vocals, guitar), Andrew Espantman (drums, background vocals), Henry James (lead guitar, background vocals), Warren Murrell (bass), and Jake Abernathie (keyboards) – has captivated audiences worldwide with their powerful guitar work, rich vocal harmonies, and genre-blurring songwriting. Their electrifying live performances have seen them share stages with icons like Joe Bonamassa, Blackberry Smoke, Peter Dinklage, and more. Their latest studio album, *Red Moon Rising* (2024), marks a bold new chapter for the band, showcasing the group's evolution, blending funk-infused rhythms, heartfelt lyrics, and Southern rock roots.
