With five GRAMMYS®, 14 Blues Foundation Awards, and a groundbreaking career spanning nearly 50 years under his belt, Keb' Mo' stands as one of the most accomplished and respected artists working in contemporary roots music today. Keb' got his start working behind the scenes as a guitarist, songwriter, and arranger before breaking out internationally with the release of his 1994 self-titled debut, which earned widespread acclaim for its genre-bending take on old school sounds.

"Mo's mellifluous vocals sing directly to the deepest part of us, and his music creates an aura that wraps us in the warmth of that delivery." – Folk Alley

"Few artists invest as much soul and passion into their art as Keb Mo." – American Songwriter

In the decades that followed, Keb' would go on to top the Billboard Blues Chart seven times, perform everywhere from Carnegie Hall to The White House, collaborate with music luminaries, have his compositions recorded and sampled by diverse artists, release signature guitars with both Gibson and Martin, compose music for several television series, and earn the Americana Music Association's 2021 award for Lifetime Achievement in Performance.
