Jazz at the Lobero presents

Madeleine Peyroux

WE ARE AMERICA: American Songs That Give Us Hope

with special guest Jon Muq

Tuesday, March 3, 2026 at 7:30 PM

Santa Barbara, CA, February 2, 2026 – Jazz at the Lobero presents **Madeleine Peyroux – *WE ARE AMERICA: American Songs That Give Us Hope*, with special guest Jon Muq, on Tuesday, March 3, 2026 at 7:30 PM.** 2026 sees the celebrated musician Madeleine Peyroux embark on the *WE ARE AMERICA* Tour, engaging with audiences from Tucson to Quebec, Boise to New York. “My music and these performances are part of a dialogue,” she explains, “a candid, ongoing conversation with a loyal community brought together by the power of music.”

Marking the 10th Anniversary of *Secular Hymns*’ release, the tour reunites the singular artist with her longtime collaborators, bassist **Barak Mori** and guitarist **Jon Herington**. This dynamic trio recorded classic tunes by Tom Waits, Leonard Cohen and Sister Rosetta Tharpe among others in 2016, and carried the worldwide tour that followed.

Ten years on, the intimate ensemble will set the scene for Peyroux to uplift audiences with a captivating mix of originals and covers, old and new, but entirely American — from Allen Toussaint, Judy Collins, Bessie Smith and Bob Dylan, to Peyroux’s own soul-baring originals — delivered in the distinctive, intimate, crooning candor now synonymous with the artist’s name.

It has also been thirty years since the release of the breakthrough album *Dreamland* — the milestone recording that shifted teen busker Peyroux from the streets of Paris to the world’s grandest concert halls, cementing her status as a talent that is here to stay. With the 2026 *WE ARE AMERICA* Tour, we have a chance to revel in the veteran artist’s personal journey, as well as that of the world at large.

Peyroux has recorded nine albums, certified gold and platinum in several countries around the world and has collaborated with some of the finest musicians in the studio and onstage. She bravely explores new ground and transcends genres while keeping a solid jazz base, all while increasingly writing her own material. Her latest album *Lets Walk* (2024), comprises all new material co-penned with Jon Herington.

Currently a professor at The Jerusalem Academy of Music and Dance, bassist **Barak Mori** has played with Benny Green, Eric Reed, Kenny Washington, Jim Rotondi, Peter Cincotti, Marcus Printup and Avishai Cohen among others. **Jon Herington** has recorded and performed with iconic band Steely Dan since 1999, Donald Fagen, Walter Becker, Bette Midler and Bobby Caldwell among others. He is the co-writer and co-producer of Madeleine Peyroux’s 2024 *Let’s Walk* album.

For **Jon Muq**, a singer-songwriter born in Uganda and now living in Austin, Texas, music is part of a larger conversation he's having with the world and everybody in it. Drawing from African as well as western musical trends and traditions, he devises songs as small gifts, designed to settle into everyday life and provoke reflection and resilience. With his debut album *Flying Away* with producer Dan Auerbach and tours with Billy Joel, Norah Jones, Mavis Staples, Amythyst Kiah, Corinne Bailey Rae, and more, Muq continues to expand the scope of his music.
