Santa Barbara, CA, July 27, 2026 Lobero LIVE, KTYD, & Panda Man present **Go To Hale – Quips & Clips: Music From The Vault *Hidden Treasures & Found Footage* on Saturday, August 29, 2026 at 6:52 PM (Doors Open 6:22 PM)**. Hale Milgrim (former President/CEO of Capitol Records) and music lover/archivist Richard Salzberg (aka “Music Maniac”) invite you on an all-new musical journey. Join them as they uncover and share inspired, spontaneous performances capturing raw, unfiltered artistry from a wide range of musicians. It’s a true “fly on the wall” experience, an opportunity to peek behind the curtain and watch creativity come to life.

When we last left our intrepid explorers, they had just wrapped up another sold-out Go To Hale: Quips & Clips adventure at the Lobero Theatre and set off in search of the next musical Holy Grail. Their quest led them deep into the forgotten corners of music history, where they uncovered astonishing archival footage long thought lost to time. Along the way, they faced countless dangers: faded film reels, deteriorating videotapes, mysterious recordings left behind by the ancient civilization known as “the 1960s,” and boxes marked *Do Not Open Under Any Circumstances*.

Against all odds, these fearless adventurers returned with a treasure trove of hidden gems and remarkable moments that were never meant to remain buried forever. The expedition was not without peril. There were close calls involving booby traps, supernatural curses, unstable stacks of media, and creatures best left unnamed. But somehow, they survived. Join Hale and Richard for this special one-night-only presentation. Prepare to experience extraordinary performances, behind-the-scenes moments, and rare musical discoveries rescued from the depths of the vault and brought back for public viewing.
