with special guest Vera Sola

Friday, December 11, 2026 at 7:30 PM

Santa Barbara, CA, November 10, 2026 **–** Lobero LIVE presents **The Milk Carton Kids — *Lost Cause Lover Fool Holiday Tour*, with special guest Vera Sola, on Friday, December 11, 2026 at 7:30 PM.** The four-time GRAMMY®-nominated folk duo bring their signature blend of exquisite harmonies, intricate guitar work, and quietly captivating storytelling to the Lobero stage. Comprised of Los Angeles-based singer-songwriters Kenneth Pattengale and Joey Ryan, the duo has spent more than 15 years creating music that finds extraordinary beauty in life's simplest moments, earning acclaim for their understated artistry and remarkable musical chemistry. The evening celebrates their seventh studio album, *Lost Cause Lover Fool*, a nine-song collection rooted in themes of transformation, memory, love, and the passage of time that deepens and expands their distinctive minimalist sound.

With subtle arrangements featuring banjo, drums, and layered harmonies, the songs balance intimacy and emotional depth, reflecting Pattengale's and Ryan's enduring belief in the power of music to quiet the noise of everyday life and bring us closer to what matters. Since their debut in 2011, their songs have been featured in numerous film and TV projects, from Gus Van Zandt's *Promised Land* to Tina Fey's goofball comedy series *Girls 5Eva*. They've also collaborated with a who's who of players from Joe Henry and Rosanne Cash to Sara Bareilles and Josh Ritter. Beyond their recordings and performances, they have championed the genre through initiatives including the Los Angeles Folk Festival and Sad Songs Summer Camp.

Opening the evening is **Vera Sola**, an acclaimed singer-songwriter, multi-instrumentalist, and poet whose gripping, hauntingly timeless music blends arresting, vibrato-rich vocals with vivid storytelling and an eclectic mix of folk, punk, and classical influences. Her atmospheric sound and cinematic approach to songwriting have drawn comparisons to Leonard Cohen, Nancy Sinatra, and PJ Harvey. With her singular voice and dramatic musical sensibility, Vera Sola creates an immersive experience that lingers long after the final note.
